

Dear Clerk:

4-20-22

22 cv. 1736

I am in custody beyond 72 hours, ~~this~~ in violation of CPL 510.50(2) and 530.60(2)(b). The Queens County Detective Conde broke into my apartment on March 24, 2022 without a valid bench or search warrant. No attorney was there for my remand. I have had no bail hearing or legal visit of any kind since 3-24-22. I am being lynched in violation of the new anti-lynching law that President Biden just signed. In totality the deprivation of my liberty interest triggers the protection of the 14th Amendment. See *Duchessne v. Sugarman*, 566 F.2d 817. Not to mention that the lead detective/corroborating witness, Michael McVellis, sexually harassed ^{me} when he took me into what I consider without authority or jurisdiction.
